Palace Hotel
San Francisco, Cal.

189

I also found letters at 2. P.M
from Staunton enclosing
letters for Mamma of 3rd
and 5th — I also one which
came direct from Phila. from
Edw. dated 10th in which
he says he will come write
you but meantime
wishes me to thank
you in their behalf
for the appropriate
presents for Wives and
Children.
I am daily improving but I
get tired & smile very
Ever Yr father W. H. H.
